

## CDN Series Wick Guide

Wick Code	Diameter Guide	About CDN Wicks
CDN 6	40 – 45mm	<p>The CDN wick by Heinz Verhaegh are one of the best in the industry and feature a paper braid style designed to 'self trim' by bending at the tip while burning. The CDN series of candle wicks are made from pure cotton with a paper core and a paper braid running through the wick which helps to deliver a more complete combustion and a cleaner burn. The paper braid is what gives the wick its light brown color. Perfect for use in natural waxes including soy, beeswax and palm wax. CDN wicks are all natural and are Zinc and Lead free.</p> <p><b>How to measure up:</b> Measure the inside diameter of your jar at its widest point then refer to this chart to select a suitable wick. There are often two or more wicks that match your size, this is to allow for "fine tuning" due to the many variables in candle recipes. We recommend starting out at the higher end of the scale and testing from there.</p>
CDN 7	45 – 50mm	
CDN 8	50 – 55mm	
CDN 10	55 – 60mm	
CDN 12	60 – 65mm	
CDN 14	65 – 70mm	
CDN 16	70 – 75mm	
CDN 18	75 – 80mm	
CDN 20	80 – 85mm	
CDN 22	85 – 90mm	
CDN 24	90 – 95mm	
CDN 26	90 – 100mm	
CDN 28	95 – 105mm	
CDN 30	100 – 110mm
